PROFESSIONAL EXPERIENCE

LSA Office of Technology Services | Junior Web Developer

September 2021 - October 2024 | Indianapolis, IN

- Develop, maintain, and enhance an integrated set of applications that utilize open source software to meet the business needs of lawmakers and their staff.
- Assist senior developers in redesigning the public facing website in a transition from a Python/Django stack to a JavaScript/React development stack.
- Design and utilize style guides for a suite of updated web applications.
- Create mockups of webpages and components using Figma.

IUPUI DUE Office of Communications | Graphic Design Intern

February 2020 - July 2020 | Indianapolis, IN

- Design posters, brochures, mockups and other digital/print media for the Department of Undergraduate Education that followed IUPUI brand guidelines.
- Work with a team of student designers and content writers to complete assignments.
- Follow a peer review workflow to ensure the quality of designs.

Fin Creative | Freelance Video Editor

May 2018 - August 2018 | Bloomington, IN

- Edit client footage for their YouTube channel.
- Adhere to the tone of the client's channel while creating an engaging viewing experience.

Indiana Memorial Union | Graphic Designer

August 2016 - May 2017 | Bloomington, IN

- Design posters, brochures, mockups and other digital/print media for the Department of Undergraduate Education that followed IUPUI brand guidelines.
- Work with a team of student designers and content writers to complete assignments.
- Follow a peer review workflow to ensure the quality of designs.
